Table Notes

For each division the postal and pre-poll votes issued are broken up into the number issued by the division to electors enrolled in that division (column labelled 'own division') and the total issued by that division for all divisions (column labelled 'total issued'). This means the number issued for other divisions is the 'total issued' less those issued for 'own division'.

Declaration Votes Received

This table shows the number of declaration votes received by each division for each vote type. State, Territory and national totals are also included.

2001 Federal Election

Declaration Votes Received

By Division

State/Division	Provisional	Absent	Pre-Poll	
			Total Received	Di
Melbourne	2324	10293	5560	
Melbourne Ports	1678	7738	6209	
Menzies	742	5504	3920

Scullin	1002	5692	2204	
Wannon	814	4459	4628	
Wills	1360			

Table Notes

Postal and pre-poll votes are broken up into those received directly in the division in which the voter is enrolled (column labelled 'own division') and the total received from all divisions including 'own division' (column labelled 'total received'). This means the number received in any division for other divisions is the 'total received' less those received in 'own division'. Those received for other divisions are forwarded to the division the elector is enrolled in for checking and counting.

Party Representation

This table shows the number of seats won by each party and independents in each State, Territory and the nation for both the House of Representatives and the Senate.
