Enrolment statistics

These tables show the number of electors eligible to vote at the election for each division, state and territory and nationally.

Note: These figures comprise enrolment at the close of rolls for the event with subsequent amendments such as the death of an elector prior to polling day, a provisionally enrolled elector turning 18 by polling day, or the reinstatement of an eligible elector previously removed from the roll.

TABLE NOTES: Declaration votes issued

Supplementary elections

For the 1998 election, the figures shown for the Division of Newcastle (NSW) are from the supplementary election held on 21 November 1998.

For the 1993 election, the figures shown for the Division of Dickson (QLD) are those from the supplementary election held on 17 April 1993.

TABLE HELP: Declaration votes issued

For each division the postal and pre poll votes issued are broken up into the number issued by the division to electors enrolled in that division (column labelled 'own division') and the total issued by that division for all divisions (column labelled 'total issued'). This means the number issued for other divisions is the 'total issued' less those issued for 'own division'.

TABLE NOTES: Declaration votes received

Supplementary elections

For the 1998 election, the figures shown for the Division of Newcastle (NSW) are from the supplementary election held on 21 November 1998.

For the 1993 election, the figures shown for the Division of Dickson (QLD) are those from the supplementary election held on 17 April 1993.

TABLE HELP: Declaration votes received

Postal and pre poll votes are broken up into those received directly in the division in which the voter is enrolled (column labelled 'own division') and the total received from all divisions including 'own division' (column labelled 'total received'). This means the number received in any division for other divisions is the 'total received' less those received in 'own division'. Those received for other divisions are forwarded to the division the elector is enrolled in for checking and counting.
